About the Festival

Since its inception by the local community in 1992, the Einbunpin Festival has become a vibrant and exciting tradition to celebrate the social, cultural, artistic and environmental values of the area.

A relaxed day for all the community, the Festival is an event where people can wander around the perimeter of Einbunpin Lagoon and explore the organisations and the activities this area has to offer.

It's a great day for community groups to showcase their organization – and raise some funds as well.

As you are no doubt aware, the Einbunpin Festival is run by a committee of volunteers, and the Festival continues to get bigger each year.

As the Einbunpin Festival is a community event, community groups and organisations/ businesses from the local area will be given preference for stall sites.

Booking a stall site

- This application includes the registration form and a copy of the map of stall precincts. You may find the numbers are different from the one you booked last year, so please take care to choose the right precinct.
- Stall prices are \$40 for **community groups** (Girl Guides/Scouts, Seniors Groups, P&C's etc) and \$85 for all other stall holders for each 3 X 3 stall site. These prices include GST.
- Payment should be received with your application – or noted on the application if a direct transfer of funds.
- Please do not claim a community group rate when they are not. If your rate it is found to be incorrect, an invoice will be raised for the remainder owing.
- **Due to the detrimental effect balloons have on the environment, balloons are not permitted at the Festival. They must not be handed out or even part of your display.**
- **The committee encourages stall holders to take pride in the presentation of their stall so our stalls add colour and interest to the Festival.**
- There will be no refunds if the Committee has to cancel the Festival – for any reason.
- We discourage 'flea market' style stalls as this a community day, not just markets. So if your group is considering a jumble sale, please consider displaying information about what your organization does and how people can get involved.
- **We do not permit roaming to sell raffle tickets or to promote your stall.**
- Some stalls are on grass, others are on bitumen. Please note the location of your prospective stall when you book. No stakes are to be driven into the parkland – weights must be used to secure your stall.
- The festival runs from 9am to 4pm. You must have your vehicle/s vacated from the stall sites by **8am and cannot re-enter the site until the Festival ends at 4pm**. This includes trailers and caravans. Please note vehicle access to some sites is restricted.
- **Power is not supplied for stall sites.** If you need a generator, it must be a silent generator (Please note! **Your stall will be positioned backing onto the roadway**).

Public Liability Insurance

You are responsible for the public liability coverage of your stall. You must send us a copy of your public liability insurance with your application. The festival has public liability coverage for the events and activities of the Einbunpin Festival however this does not extend to stalls.

Food Stalls

Food Stalls must comply with the food standards code. Please remember to apply for a temporary food stall permit from the Brisbane City Council. Forms are available from the Council's Cherside Business Centre in Gympie Road (opposite the Tax Office), the Call Centre on 3403 8888, or via the website at www.brisbane.qld.gov.au. Council food inspectors may be in attendance on the day to ensure food stalls comply with the regulations.
